We Give Back to the Queen City

We use our business as a force for good in everything we do—from the products we make to the nonprofit partnerships we build, to the way we show up in our community.

As a member of 1% for the Planet, we donate 1% of our annual sales toward organizations working to protect our planet and its inhabitants, like Charlotte-based Carolina Raptor Center, which has worked to rehabilitate birds and educate the Charlotte community for 40 years.

We're proud to be a Best Place to Work in Charlotte and supporting this amazing nonprofit in their mission to inspire engagement in the natural world through the exploration and rehabilitation of birds of prey.
